Option #1

About Us

Orders for the Papa Johns cards can be placed at any quantity level and like all of our products we offer free setup, free color e-proof, and our exclusive low price guarantee. Papa Johns Cards are ideal for all types of group fundraising efforts.

The Papa Johns cards sell for $10 each and your group profits $5.00 per card with a minimum order of only 200 cards. Discounts available for larger orders. Sell 500 cards and your little league, cheerleading group or basketball team profits $2,500 all with No Money Down and great 21 Day Terms. We also offer other "company cards" that include Subway, Domino's and several other great merchants that enjoy supporting groups just like yours. For more information about Papa Johns Cards, call us today @ 800-711-3200. We are happy to help!

Option #2

DIY Papa John's Cards

Interested in making even more for your group fundraiser? Then we suggest our DIY Pizza Card. Take our DIY Merchant Agreement Form to your local Papa John's (or pizza place of your choice) to get the deal you want on the card! We print and ship them to you for $3.00 each and you sell them for $10 each for a **profit of $7.00 per card!**

Why DIY?

The DIY route is the best way to go as the merchants will most likely give you the best deal since you're local and you'll get the most profit! You also still get our same great low minimum order amount and free shipping on your initial order!
